RE: Payment of 2021-22 Independent Charter School Aids

Wisconsin statute s. 118.40 (2r or 2x) specifies the manner in which state aid will be paid to independent charter schools. Independent charter schools receive four state charter schools aid payments in increments of 25% each. The total amount of aid paid to each independent charter school (ICS) is determined by multiplying the eligible full time equivalent (FTE) membership of the school by the per pupil state aid amount. **The 2021-22 per pupil state aid amount for independent charter schools authorized by the College of Menominee Nation and the Lac Courte Oreilles Ojibwe College is \$8,853. The 2021-22 per pupil state aid amount for independent charter schools authorized by all other independent authorizers is \$9,201.**

This letter replaces memos dates July 19, 2021 and July 26, 2021 in whole.

To be eligible for state charter school aid payments, the Independent Charter Pupil Count Report (form MC-1567) must be completed and submitted to the department for each of the three count dates listed below. The electronic Independent Charter Pupil Count Report will be available on the department's website at <https://dpi.wi.gov/parental-education-options/charter-schools/current/2r-membership>. The Independent Charter Pupil Count Report must be completed and submitted according to the instructions on the form or the reports may not be accepted by the department.

Independent charter schools that provided eligible summer school instruction will receive a separate summer school payment in December. Schools that provided eligible summer school instruction must complete the electronic summer school report (ICS-109) by September 15, 2021. This report will be available on the department's website at <https://dpi.wi.gov/parental-education-options/charter-schools/current/2r-membership>.

**To ensure your school's aid is appropriately calculated and paid according to the scheduled pay dates, the department must receive the completed Independent Charter Pupil Count Report on or before the due dates listed and highlighted below. Late or incomplete submission of an Independent Charter Pupil Count Report may result in a delay in the state charter school aid payments. All payments will be made via electronic funds transfer.**
